

Calling all Medical Writers: Now's your chance to shine!

Are you ambitious and looking to become a successful medical writer? Are you ready to use your scientific writing skills, enthusiasm and creative thinking to wow our clients?

If this sounds exciting to you, read on!

We are a successful **medical communications agency** with offices in Switzerland and the UK. We have a 20-year track record in providing a complete range of contemporary medical writing, event management and strategic business and marketing services to the pharmaceutical industry. We are looking for a talented and ambitious

MEDICAL WRITER (100%)

to join our team in Switzerland or the UK. This is a fantastic opportunity to join an independent company with a culture that encourages and rewards initiative-taking, resourcefulness and enterprise. Our company ethos is driven by **quality and trust**, all our team members are highly valued and have an active role within the company.

RESPONSIBILITIES & OBJECTIVES

- Take ownership and responsibility for content development and delivery of medical education and communication projects
- Provide scientific input and logistical support for symposia and advisory board meetings, including development of agenda and meeting content, organisation and coordination of printed materials, contact with speakers and on-site attendance
- Contribute to innovative "out of the box" solutions for medical writing projects
- Build trusting, professional relationships with clients and healthcare professionals

YOUR PROFILE

- PhD/MD in medicine, life or health sciences, or pharmacy
- 1-2 years' editorial or writing experience within the pharmaceutical industry, ideally within a medical communications agency
- Confident, proactive and client-oriented team player
- Proven ability to work independently and under time pressure
- Fluency in English, both written and spoken, fluency in other languages is beneficial
- Willingness to occasionally travel to client meetings and congresses

BENEFITS

- Competitive remuneration package and performance-based annual bonus
- 30 days holiday
- Flexible working time
- Open, supportive and highly professional environment
- Excellent opportunities for training and personal development

If you are passionate about science and healthcare and are searching for a role where you can make a difference, then please send your CV and covering letter to Sandra Metzger Hamilton, Human Resources Manager, at sandra.metzger@nspm.com or call +41 41 379 79 06 for an informal discussion.

Applicants who apply to nspm directly will be given priority over those applying via a recruitment agency.
